6) Total # of Interviewees Referred: For the period from July 23, 2007 to July 22, 2008, this Employment Unit interviewed 90 interviewees for full-time job vacancies.

7) Supplemental Recruitment Initiatives.

(a) Initiative: Participation in Job Fairs

On August 29, 2007, the Employment Unit's Director of Sales, who has substantial responsibility in the making of hiring decisions, participated in a job fair at Camp Lejeune, one of our local marine bases. The career fair was sponsored by Coastal Carolina Community College, Onslow County, and the Marine Corp. While there, the Director of Sales met and spoke with hundreds of candidates.

On September 26, 2007 the Employment Unit's corporate Human Resource Director, who has substantial responsibility in the making of hiring decisions, participated in the National Association of Broadcasters Career Fair at the NAB Radio Show in Charlotte, NC. The Human Resource Director provided resumes collected at the event to the Employment Unit stations.

On March 11, 2008, the Employment Unit's Regional Vice President, who has substantial responsibility in the making of hiring decisions, participated in a career fair at Western Carolina University and provided resumes of attendees to the Employment Unit stations.

On April 16, 2008, the Employment Unit's corporate Human Resource Director, who has substantial responsibility in the making of hiring decisions, participated in the National Association of Broadcasters

Career Fair in Las Vegas, NV. The Human Resource Director provided resumes collected at the event to the Employment Unit stations.

(b) Initiative: Internship Program

The Employment Unit radio stations offer an internship program for qualified interns. To qualify the intern must be attending an accredited institution and be eligible to receive college credit for the course. This year the Employment Unit expanded its internship program and had five interns representing three diverse universities, as follows: East Carolina University (2 interns), Pembroke University (2 interns), and Winston Salem State University (1 intern). Internships are available in the Sales, Promotions, Programming and Production Departments. This year's interns participated in the Sales, Promotions, and Programming Departments. An Employment Unit intern from 2007 was hired during this reporting period as a full time employee. The internship program is designed to assist members of the community to acquire skills needed for broadcast employment.

(c) Initiative: Cross Training Of Station Personnel

The Employment Unit cross training program continued this year with employees gaining additional skills that might qualify them for higher level positions. The Employment Unit has continued this process with a Traffic Director learning the role of a Production Director, a business office assistant being cross-trained in various aspects of the business office, and more.

(d) Initiative: Participation In Other Activities

The Employment Unit participated in the following activities to further the goal of disseminating information as to employment opportunities in broadcasting to job candidates who might otherwise be unaware of such opportunities:

- **Mentoring Students**

On November 2, 2007, the General Manager and key department heads mentored two local high school students from Craven Community Early College, who chose broadcasting in response to their school's requirement that students select a career that they are most interested in. The Employment Unit welcomes this opportunity to introduce the students to career options in broadcasting.

- **Career Breakfast at Local High School**
